TO WHOM IT MAY CONCERN

Maibang Degree College had been established in the year 1988. The institution was founded on 5th September as a mark respect to the glory of teaching and teacher. The mission and vision of the college is clearly defined by the Founder Principal Late Bhadreshwar Bodo to work for the people belonging to poor and needy with sincerity and dedication. The institution follows all code of conduct, academnic decipline to attain at the motto "***Searching for Knowledge and Excellence***". The college can realise the responsibilities towards society and students. Other than teaching; the college engages in different activities with other people, being aware of social, environmental and gender issues, and inequities in the society. The college provides opportunities to all students belonging to different geographical location and section of the society to build them befitting to the rapid change of society. Maibang Degree College has committed itself to the task of inculcating social values and responsibilities in its students. In line with its vision of working towards the socio-economic development of the people living in the region especially the people of sixth schedule areas. The institution has student council to organise the students towards the goal of unifying all above any inequalities. Students are involved in different committees carry out the duties towards society. Maibang Degree College is committed to serve the student and the society in large. It believes in all round development of the personality of the student. The institution organises one week College cum Social Week programme and it gives fresher an insight about the unity and spirit of the institution orienting vision and mission of the college. The curricular and co-curricular exercises deal with value to mould the student for building society. Students are engaged in different literary, sports and cultural activities. The college NCC (Girls' and Boys') wings and NSS are committed to work to the spirit of building character and unity to serve the society. The institution carries awareness programme against bad practices of any kind thereof. However the entire college campus is situated in beautiful landscape free from pollution. Students are motivated to

take care of the plants and to foster more plantation especially medicinal and fruits bearing plants. The institution encourages the students to participate in the curriculum to gain knowledge on the different issues related to gender sensitization, environment, value education, skill development by integrating syllabus on such cross cutting issues. The institution always takes care of the new students; they are made to be accountable towards the code of conduct of the college and equally to participate in different activities of the college. Students are taken to the field visit, excursion to cope themselves to the wider community in the state and the nation. Students are encouraged to develop their creativity by writing for wall and college magazines. The institution initiates literary activities i.e. debate, essay writing, quiz to develop their skill and to remain updated with the current trends of knowledge. The institution familiarizes the students with the historical sites, geographical location and with other institution by field trip and excursion. As a special thrust for participatory activities is done for societal development by instilling on a large scale involvement of students through the active NSS unit which undertakes various services to inculcate social values. Throughout the year, the NSS unit undertakes different activities. Indeed the NCC wings of the college take students to participate in different commemorative days and events. Students attend special camp of NCC and NSS. The entire campus of our college is plastic and tobacco free zone. Students are used to collect the plastic bottles and reuse it for bottle-gardening.
