## PROSPECTUS

ACADEMIC SESSION: 2018 – 2019

## From the Desk of the Principal

Maibang Degree College was founded on 5<sup>th</sup> September, 1988, the day on which the great educationist, the first Vice President and the second President of the India Dr. S. Radhakrishnan was born. Right from the time Late Bhadreswar Bodo became the Principal of Maibang H.S. School, he planned of opening a Degree College at Maibang because his own students had to go for higher education at least to a distance not less than 65 kilometers. Some of the H.S. passed out students had to give a full stop to educational achievement in spite of their having aspiration for the same only because of the poor family background to afford education outside. He shared his intention with the educated class of the people and the senior citizens of the locality and finally founded Maibang Degree College. A person who remained as a shadow with Late Bodo and still providing his services as the President of the Governing Body of the college is Mr. J. L. Jidung. The college was founded on the fifth September, in the hope that one day the college will also be of great reputation provided the coming generations understand the importance of the date. Since its foundation Late Bhadreswar Bodo was the Principal of the college till his retirement on 9<sup>th</sup> January, 2006. From his retirement I have to serve as the Principal i/c of college till today.

The college is situated near the historical capital city of the Dimasa Kingdom, presently known as Purana Maibang (Meghanarayanpur). It is about 3 K. M. distant from Maibang Town. The college is having a beautiful compound comprising 125 bighas of land with a Botanical Garden maintained by Maibang Aforestation Range of the Forest Department. The scenic view of Maibang Town, Mahur river, the Railway line and the National Highway from Maibang Degree College Campus and the Botanical garden of the college attract the visitors which urge a next visit to the college campus.

The college was brought under deficit Grant-in-aid system from 1<sup>st</sup> April, 2001. The college office and the classes were held in the evening shift at the premises of the H. S. School till 2004 for the lack of infrastructure in its original campus and for the convenience of the students and staff of the college. After shifting of the college to its present campus the students and the staff faced lots of problems with the poor infrastructure of the college. The development of the infrastructure started with the construction of six classrooms with 10 lakh financial grant from the N.C.Hills Autonomous Council during the tenure of Late Bodo.

Since the date of my taking charge as the Principal i/c of the college, my prime interest for the college has been development of infrastructure of the college and academic advancement. Now, with various grants received from the Government of Assam and N.C.Hills Autonomous Council the college is equipped with a modern library with computer and Wi-Fi facilities, state of the art furniture for the teaching and non teaching staff and the library, modern teaching aids including projector, computerized office, X-erox facilities etc.

The Administrative Building, Separate Departmental Common Room for the faculties, Common Rooms both for boys and girls, NCC and NSS Offices, Office of the Maibang Degree College Students' Union are inaugurated in the session 2016-2017. A two storied building is used for class rooms and seminars/workshop/conferences etc. The Library is also shifted to this two storied building. Another two storied building is ready for use as general and digitalised class rooms. The Guest House of the college, 3 Nos. Teachers' Quarters, Rotary and a Watch Tower are inaugurated by the Hon'ble Chief Executive Member (CEM) of the N.C. Hills Autonomous Council, Shri Debolal Gorlosa on the 31st May 2018 in presence of the Hon'ble MLA of 16 ST Haflong Constituency, Shri Birbhadra Hagjer, Shri Fleming Rupsi Shylla and Thaisodao Thaosen, Hon'ble Executive Members in Charge Education (Higher) and Forest respectively of the N.C. Hills Autonomous Council. Moreover, on this very day the Hon'ble MLA inaugurated the College Bus for the use of the students and staff. Four more Teachers' Quarter are under construction and the Hon'ble CEM assured of construction of Hostels with seat capacity of 50 each for boys and girls during this financial year. Almost 75% of the boundary wall for the vast compound of the college is already completed.

The services of 34 Nos. of posts of the college are provincialised w.e.f. 2005 under Assam College Employees (Provincialisation) Act, 2005 vide Govt. of Assam Education(Higher)Department order No.AHE.98/2006/96, dated-17-03-2009 and the said act is extended to the Dima Hasao District vide Govt. of Assam Education(Higher)Department Notification No.AHE/98/2006/102-B, dated - Dispur, the 3rd August, 2009.

With the starting of Krishna Kanta Handiqui State Open University study centre at Maibang Degree College in the year 2012, the facility of distance education up to MA is available in the college.

From this academic year, Assam University notified the implementation of Choice Based Credit System (CBCS) in the undergraduate courses. I hope the students will be very sincere and regular in the classes to avail the benefits of the new system and the teachers and the office staff will render their services to their best. Let's work united for a brighter Maibang Degree College tomorrow.

Date: 10-06-2018.

## Different components and distribution of marks for CCA

### A. Full Marks & Pass Marks for CCA (Unit Test + Attendance)

Courses with only Theory paper: Full Marks = **30** (thirty) & Pass Marks = **12** (twelve)

Courses with both Theory & Practical papers: Full Marks = **20** (twenty) & Pass Marks = **8** (eight)

### B. Unit Test:

#### i. Maximum marks:

Courses with only Theory paper = **20** (twenty) &

Courses with both Theory & Practical papers = **14** (ten)

- ii. There shall be **two Unit Tests** per semester and dates of such tests shall be notified by the Controller of Examinations. The highest mark scored by a student out of two Unit Tests shall be awarded to the student as the marks under Unit Test of CCA.
- iii. Unit Test may preferably be conducted during non-allotted classes, so that, total number of allotted classes (Lecture/ Tutorial/ Practical) are not curtailed. Setting of question paper and evaluation of answer scripts of Unit Test shall be done by the teachers of the concerned department of college. Marks obtained by the students be announced within one week of the Unit Test. If demanded, answer scripts of Unit Test be shown to students.
- iv. Marks scored in Unit Test for which the student appears as an "Arrear Paper" shall be carried over for declaring the result of concerned "Arrear Paper", only if the student secure Pass marks in the Unit Test else he/ she shall have to appear in Unit Test/s in the concerned paper along with the regular students.
- v. Mark sheets of CCA of each semester shall be despatched to the University by colleges during the period of End Semester Theory Examination for the concerned semester in the prescribed format and, in the most confidential manner well before the completion of that ESE.

### C. Class Attendance:

- i. Class Attendance shall be calculated on the basis of actual number of classes held during each semester in each course/ paper. Number of decimal be rounded off to next higher number (*e.g.*, 74.01% be rounded off to 75%)
- ii. A student with **less than** 75% of attendance on an average of all the papers (excluding NCP Course, if any) of the concerned semester shall **NOT** be allowed to appear in that ESE but will be allowed to take admission in the immediate next higher semester. However, such a student may appear in the subsequent similar ESE (odd/even) in all the papers and, marks to be awarded under CCA for each paper shall be the marks previously secured by the student in the concerned paper, only if the student secure Pass marks in the Unit Test else he/ she shall have to appear in Unit Test/s in the concerned paper along with the regular students.
- iii. Distribution of marks for Class Attendance:

#### **Courses with only Theory paper:**

##### **Theory paper (max. marks = 10)**

Attendance 90% & above	: 10 marks
Attendance 80 % to below 90%	: 08 marks
Attendance 75 % to below 80%	: 06 marks
Attendance below 75%	: 00 marks

#### **Courses with both Theory & Practical papers**

##### **Theory paper (max. marks = 6)**

Attendance 90% & above	: 06 marks
Attendance 80 % to below 90%	: 05 marks
Attendance 75 % to below 80%	: 04 marks
Attendance below 75%	: 00 marks

##### **Practical paper (max. marks = 5)**

Attendance 90% & above	: 05 marks
Attendance 80 % to below 90%	: 04 marks
Attendance 75 % to below 80%	: 03 marks
Attendance below 75%	: 00 marks

## Grading System

### Calculation of Credit Point, SGPA and CGPA

- Step 1.** For each course, marks secured by a student in ESE (including CCA, if any) will be converted to Grade Point (GP) on the basis of 10 –point Grading Scale as per the following formula:

$$\text{Grade Point (GP}_{ij}) = \frac{\text{Marks secured by a student in the } j^{\text{th}} \text{ course of } i^{\text{th}} \text{ semester}}{\text{Full marks allotted to the course}} \times 10$$

( i = 1, 2, 3, ..., 6; j = 1, 2, ..., n<sub>i</sub> )

- Step 2.** Grade Point (GP) scored by a learner will be multiplied by the Credit (cr) assigned to the concerned Course and that will be the Credit Point (CP) for that particular Course. Thus, Credit Point (CP<sub>ij</sub>) of the j<sup>th</sup> course of i<sup>th</sup> semester is given by

$$\text{Credit Point (CP}_{ij}) = \text{Grade Point (GP}_{ij}) \times \text{Credit (cr}_{ij}) \dots\dots\dots (1)$$

- Step 3.** Performance in a semester will be expressed as SGPA. Weighted average of the Credit Points of all successfully completed courses of the i<sup>th</sup> semester will be used to calculate Semester Grade Point Average of i<sup>th</sup> Semester (S<sub>i</sub>) as per the formula mentioned below:

$$\begin{aligned} \text{SGPA (S}_i) &= \frac{\text{Sum of all credit points of the } i^{\text{th}} \text{ semester}}{\text{Total credits in the } i^{\text{th}} \text{ semester}} \\ &= \frac{\sum_{j=1}^{n_i} \text{CP}_{ij}}{\sum_{j=1}^{n_i} \text{cr}_{ij}} = \frac{\sum_{j=1}^{n_i} \text{CP}_{ij}}{C_i} \end{aligned}$$

— where cr<sub>ij</sub> is the Credit of j<sup>th</sup> course of i<sup>th</sup> semester and CP<sub>ij</sub> is as defined in (1),  
C<sub>i</sub> is the total credit of all courses under i<sup>th</sup> semester.

- Step 4.** Cumulative performance of all the semesters will reflect overall performance in the whole programme. This cumulative performance is expressed as Cumulative Grade Point Average (CGPA) and it will be calculated as the weighted average of all the SGPAs (S<sub>i</sub>; i = 1, 2, ..., 6) where the weights are the total credit of each semester (C<sub>i</sub>; i = 1, 2, ..., 6). Hence, the formula for CGPA is

$$\begin{aligned} \text{CGPA} &= \frac{\text{Sum of (SGPA of } i^{\text{th}} \text{ semester} \times \text{Total credit of } i^{\text{th}} \text{ Semester)}}{\text{Sum of Credits of all Semesters}} \\ &= \frac{\sum_{i=1}^6 (S_i \times C_i)}{\sum_{i=1}^6 C_i} \end{aligned}$$

- Step 5.** The SGPA and CGPA shall be rounded off to 2 decimal places and reported in the Grade Card/ Transcripts with the following GRADE LETTER & CLASSIFICATION:

Grade Point / SGPA / CGPA	GRADE LETTER	CLASSIFICATION
8.50 — 10.00	O	Outstanding
7.50 — 8.49	A+	Excellent
6.00 — 7.49	A	Very Good
5.50 — 5.99	B+	Good
5.00 — 5.49	B	Above Average
4.50 — 4.99	C	Average
4.00 — 4.49	P	Pass
0.00 — 3.99	F	Fail
Absent	Ab	Absent
Conversion Formula: <b>Percentage of marks = CGPA x 10.</b>
